Luxury Mountain Compound Retreat - Designed as a Home, Not Just Another Cabin Rental This is not your typical Smoky Mountain cabin. Custom-built by the owner as a private second home, this exceptional log home showcases quality craftsmanship, thoughtful design, and distinctive features rarely found in today's short-term rental market. Unusual extras. A Generac whole house generator, and a true Koi pond with waterfall feature Step inside to a dramatic great room with soaring vaulted ceilings, rich hardwood flooring throughout the main living areas, and an inviting atmosphere that immediately feels like home. The beautifully appointed kitchen features granite countertops, while the bathrooms continue the upscale finishes with matching granite surfaces. One of this home's most unique features is its thoughtfully designed accessibility. Offering step-free entry, wide doorways, an accessible main-level primary suite, accessible garage access, and an oversized walk-in shower, this cabin provides exceptional comfort and convenience without sacrificing its rustic mountain charm. Whether for full-time living, aging in place, or accommodating guests with mobility needs, these features are rarely found in Smoky Mountain cabins. The oversized primary suite is a true retreat, opening directly onto its own private screened porch where you can relax while overlooking the peaceful wooded setting. The luxurious ensuite bath
